Atlas General Insurance Services Presents

We make billing easy!

What is GoPay?

- Atlas **GoPay** enables policyholders to pay their workers' compensation premium each time they run and submit payroll
 - Payroll information is submitted to the **GoPay** system each pay period via self reporting or linking to one of thousands of approved payroll companies
 - Atlas **GoPay** calculates, in real-time, your workers' compensation premium each pay period
 - Funds are automatically remitted from the policyholders' bank account to Atlas via ACH

What Are the Benefits of GoPay?

- Quick online enrollment
- Customer support line for assistance and on-going support
- Offers easy-to-use flexible reporting options
 - Payroll submission based on insured's payroll frequency
 - Online self reporting
- Automatic ACH payments, eliminating the need for paper checks and reducing the occurrence of late payments and cancellation notices (NOC)
- Predictability and maximization of cash flow
- Elimination/minimization of year-end premium audit shock
- Ability to compete with large payroll service companies
- Fast, safe and secure

NOTE: Direct Bill Installments and other payment options available in addition to GoPay

Why is This Important?

- Differentiate your business
- Ability to compete with large payroll service companies
- Meet your customers' requirements with flexible billing options
- Improve customer satisfaction by reducing large premium audit adjustments at the end of the year
- Ability to increase retention and attract new business

How to Get Started

- Request Atlas **GoPay** as the billing option when binding a policy
- Provide policyholder contact information
- If the policyholder does not enroll during an acceptable time-frame, you may be asked to contact the policyholder to assist

Who Does Everything Else?

- Easy enrollment is completed online with live assistance from an Atlas **GoPay** specialist
- If further assistance is necessary, Atlas will contact the insured via phone to describe the program and determine the best method of submitting the payroll information
- Atlas will manage the process when exceptions occur
