South Carolina Workers' Compensation

Workers' Compensation Compliance Poster

We are operating under and subject to the South Carolina Workers' Compensation Act

In case of accidental injury or death to an employee, the injured employee, or someone acting in his or her behalf, must give immediate notice to the employer or general authorized agent. Failure to give such immediate notice may be the cause of serious delay in the payment of compensation to the injured employee or his or her dependents and may result in failure to receive any compensation benefits under the law.

Workers' Compensation:

1. Pays 100% of your medical bills and some other expenses.
2. Compensates you for 66 2/3% of your salary, limited to the maximum wage set by law, if you are unable to work for more than seven (7) calendar days.

If you are injured on the job, you should:

1. Notify your employer at once. You cannot receive benefits unless your employer knows you are injured.
2. Tell the doctor your employer sends you to that you are covered by workers' compensation.
3. Notify the Workers' Compensation Provider listed on this poster or the South Carolina Workers' Compensation Commission at 803.737.5700 if you experience undue delays or problems with your claim.
